

Competition Program 2012

The Competition Program has been designed by Michael Wilson, Head Coach and may be subject to change. Updates will be given when appropriate.

It is important to note that:

- Not all swimmers will be eligible for each meet. Many have qualifying times or are designed for certain age groups.
- If you do not qualify for a selected meet then speak to your squad coach ASAP.
- If there is a competition outside of these meets then prior agreement from Head Coach should be sought. Travelling the country chasing times and therefore over – competing can potentially have a negative effect on future development. There is only one solution – work harder!

2012	Competition	Venue	Who is Involved?
